

### **Why join our collective?**

Horizon Paris 8th Art guarantees its artists a constant promotion of their works through its online art gallery, its social networks but also with exhibitions (between 1 and 2 per year depending on availability and projects) located mainly in the 8th arrondissement of the capital (exhibitions carried out according to the availability of the premises and subject to favorable sanitary conditions).

There are no exhibition fees (or even commission on sales made at these events) to be paid in addition to the membership, at the time of the exhibitions.

The only commission that is taken is that made on the works sold via the online art gallery up to 20% (this commission allows us to pay the various management costs of the gallery).

We also bring our artists together every 3 months (if the health situation allows it) in order to propose and prepare future events.

Your membership allows us to offer you exhibitions, artistic projects and authorizes us to sell your works via our online art gallery.

### **How to join the collective?**

Are you an amateur or professional artist, beginner or confirmed, and wish to express your talent and make your works known to the general public?

[contact@horizonparis8emeart.com](mailto:contact@horizonparis8emeart.com) or [associationhp8a@gmail.com](mailto:associationhp8a@gmail.com)

The decision of the selection committee to accept the application of an artist is valid for 1 month, if the payment of the membership is not made during this period, the decision of acceptance is canceled.

The contribution as an artist of HP8A is an amount of 130€ per year for all artists (and also for artists living abroad but still wishing to exhibit) and 110€ per year for artists living or working in the 8th arrondissement of Paris. Membership is 100€ for artists who only wish to be part of our online gallery without being able to exhibit.

The one-year membership is renewable on its anniversary date.  
These contributions will allow us to finance management and communication costs.
